PAST AND FUTURE PROJECTS

The board of directors has reactivated the community project list. You can view this list at any time on the Parish Lakes website. This project list comprises repairs, upgrades, and new improvement ideas that are researched, bid on, voted, budgeted, and finally implemented. The matrix also catalogues projects that homeowners can see what was approved, and how much was spent. Click on this link for access and viewing: [Project-Listing](#)

QUARTERLY MEMBERSHIP MEETING.

Our next meeting for the subdivision is Tuesday July 14th at the local Elks Lodge. Open to every Parish Lakes homeowner and your family. Come listen to the agenda, present Parish Lakes related material, suggest ideas, meet your neighbors. Recorded meeting minutes, financials, ongoing projects and information updates are a few items presented by the Board of Directors.

.....

April's community yard sale was a huge success! Over 30 homes used that

opportunity to get rid of some stuff and make a little money. We are planning for the October timeframe for the next subdivision wide yard sale. We have yet to select a date but that will be coming out soon!

A New Slogan

As mentioned at a previous full membership meeting, we had been working on developing a slogan for Parish Lakes that describes the subdivision which is nestled in the heart of Foley, next door to the Gulf Coast, in a well-kept covenant restricted community with half million-dollar homes. From a list of about 10 suggestions "*Premier Coastal Living*" answered the mail!

#####

Garbage Pick-up during the 4th of July weekend. Foley Sanitation Office will be closed on Friday July 3rd so Garbage, recycle, and debris will take place on Thursday July 2nd.
